hello there!

I'm Lauren Amelia

DREAMER, ARTIST,
& A LOVER OF LOVE!

Choosing a wedding photographer is so difficult now. There are so many styles and options, where do you start? I believe it is most important to find someone whose work you LOVE. It is also just as important you find someone who will bring out the best of who you are in your photos! Afterall - Your wedding day is meant to be an amazing celebration and these are the memories that will be evidence of that.

I have been shooting weddings for 8 years now and I love everything about them! Whether its capturing the beautiful little details or the end of the evening dance floor moves, no wedding is ever the same.

I'm known for gorgeous wedding portraits but also capturing those beautiful candid moments. I want everyone to feel the romance through my photographs that should be felt on a wedding day.

I will be there every step of the way, calming your nerves, holding your lipstick, helping you into your dress. making you laugh, I do it all!

FAQ

DO YOU TRAVEL?

I LOVE destination weddings! I'm happy to create custom packages to fit your wedding plans. Travel and accommodation fees are included in destination packages, so you won't have to worry about a thing!

IS IT WORTH HAVING A SECOND PHOTOGRAPHER?

Absolutely! My second photographer works with me on a lot of weddings and knows my style well. He will be there to capture your guests laughing and interacting and all of the little details whilst I am more focused on the main parts of the day.

HOW MUCH DO YOU EDIT YOUR PHOTOS?

Great question! I'd say 70% of the way my photos look comes down to the way I edit my photos. Each photo receives basic color correction, cropping, adjustment for lighting etc, as well as a custom filter to give it the vibe you see in my portfolio. My skin retouch is very subtle so no one would ever know, apart from you!

DO I HAVE TO GET MY ALBUMS & PRINTS FROM YOUR STUDIO?

A lot of studios do the watermark thing or force you to print albums through them - I am a not big fan of that route. I do offer extra albums and prints through me, but the way we see it, you've invested a lot for your photos, so you should have the freedom to do what you want with them for personal use.

I'M READY TO BOOK! WHAT NEXT?!

AMAZING! I can't WAIT to get to know you and I'm so thrilled you've chosen me. To book I require a signed contract and £300 deposit. Dates cannot be recured until these have been received. Contact me today and I'll send you all the info.

Lets do this!

to hear from you!*
